**INDONESIA**

**LEBANON**

**Dear Friends,**

Due to the growing intensity of persecution in the region where we are planting churches in Asia, we had to cancel our two Gospel Crusades scheduled to be held there. Instead, I decided to preach in Surabaya, Indonesia and in Beirut, Lebanon, because pastors in these places had invited me and I had open doors. All of the meetings in these places were in indoor venues.

# SURABAYA, INDONESIA

I had a total of five meetings in Surabaya, in two different locations. In the very first service, hundreds of people responded to the altar call to receive the Lord Jesus. Many were weeping under great conviction and with tears they gave their lives to Jesus.

There was a strong and tangible presence of God in the place. The Lord gave great grace and confirmed His Word with signs following.

- Several people with severely depleted eyesight or blindness were healed. Others testified that the Lord had opened their deaf ears.
- A woman's paralyzed hand was healed.
- Tumors instantly disappeared and many others were healed from different kinds of diseases and infirmities.

**Such is the matchless compassion, mercy, and power of our Lord Jesus!**

The Spirit of the Lord moved in every service. The altars were full of hundreds of people seeking the Savior. It is the most wonderful thing in the world to see so many people come to Jesus in service after service. The Lord

gave great grace and performed many wonderful miracles among the people. Large numbers of people indicated that the Lord had healed them, and many came forward to testify.

- Our Lord Jesus healed the deaf ears of many people.
- Several who were either blind or had depleted eyesight due to cataracts received sight.
- Some of the miracles I witnessed are etched permanently into my memory... like the 75-year-old man who was blind. He had two cataract surgeries that had not helped him. He wept with gratitude as he testified how the Lord had now given him perfect sight.
- A woman who could not stand nor walk, was in a wheelchair, and was blind in one eye was touched by our Lord. She suddenly stood up from her wheelchair and began to walk. She also began to see. Weeping, she testified to the goodness of the Lord towards her.

**We give Glory to our Lord Jesus for all things!**

I was unwell and jetlagged most of the time, but the Lord

gave me grace and strength to minister to the people.

Pastor Mike and his staff and congregation were most loving, kind, and gracious. I am grateful to the Lord for all He did in Indonesia and for giving me the opportunity to serve there.

# BEIRUT, LEBANON

The city is spread out along the coast, and I realize that one must do many outreaches along the coast in order to reach the people. I know the pastors of the Pentecostal Churches in Beirut and they are all my friends, but they are very few and spread out far apart. That is why I chose to work with only one of the churches (and the other pastors who attended the meetings) this time.

We started our three-day outreach in an auditorium belonging to the Catholic Church up on a mountain overlooking the city. There were no buses, nor public transportation going up the mountain to the place where we were. Despite this, I was surprised to see the large number of people who came out to hear the Gospel. In the crowd I saw Muslim men and women wearing “hijab” headwear.

Many people responded to the Gospel and gave their hearts to the Lord Jesus, including the Muslims that I just described.

When I prayed for the sick, many people were healed. The very first night deaf people received their hearing. One lady could not stand, nor walk. She joyfully walked to show us how the Lord Jesus had healed her. Other people testified of the things that the Lord had done for them.

Before the outreach started, I was interviewed at a radio station and taught one session at RHEMA Bible College’s campus in Beirut.

The crowd grew the next night, with people hungry to hear the Gospel message. Many responded to the altar

call and gave their lives to the Lord Jesus that night.

It was wonderful to see God touching the lives of people. One lady told a friend of mine that her husband who had steadfastly resisted the Gospel for 20 years finally came to the meeting and was saved. Afterwards he stayed on and lingered at the altar and did not want to leave. Such is the work of God in people's lives!

The Lord confirmed His Word, and many people were healed. People in Beirut are somewhat reticent to come to the front and testify of miracles, but some did.

- A lady who was blind in one eye received her sight as Jesus touched her.
- Several people had their deaf ears opened.
- Another lady had a tumor growing in her ear that disappeared.
- A woman who could not hear, had badly depleted eyesight, pains all over her body and other ailments, was completely healed by God's power.
- A man whose knee was injured after an accident ran and up and down the aisle.

On our final night, a large crowd listened to the Gospel message and responded to the altar call to give their lives to our Lord Jesus. After that we prayed for the sick and many people were healed.

- God opened the deaf ears of several people and healed several who were either blind or had had depleted eyesight.
- Some had difficulties walking or moving parts of their bodies due to long-term injuries. Many others were also healed from a host of other diseases and infirmities.

After that people were baptized with the Holy Ghost and with Fire, speaking with other tongues as our Lord touched them.

**We give all the Glory, honor, and praise to our Lord Jesus for all that He has done.**

A big thank you to those who supported this outreach and prayed for us. We were able to give over \$7000 to the church's food program that feeds a large number of needy people in Beirut.

So ended my very fruitful trips to Lebanon and Indonesia to preach the Word of God. We are grateful to the Lord for these opportunities to preach the Gospel, and mostly for the souls that came to our Lord Jesus and were

Saved. **What a privilege it is to preach the Gospel!**

Thank you for your prayers and support!

# About being like the Father

We all love this verse:

***"Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom....". Luke 6:38***

But there is more to this verse than just being a good "prosperity scripture", if one looks at the other verses that precede it and form its context.

***"But I say unto you which hear, love your enemies, do good to them which hate you, Bless them that curse you, and pray for them which despitefully use you. And unto him that smiteth thee on the one cheek offer also the other; and him that taketh away thy cloak forbid not to take thy coat also." (verses 27-29)***

And then...

***"But love ye your enemies, and do good, and lend, hoping for nothing again; and your reward shall be great, and ye shall be the children of the Highest: for he is kind unto the unthankful and to the evil.***

***Be ye therefore merciful, as your Father also is merciful. Judge not, and ye shall not be judged: condemn not, and ye shall not be condemned: forgive, and ye shall be forgiven." (verses 35-37)***

And so forth...

So you see, it is not just the giving and receiving part that stands by itself. This is not just an offering-time verse about "prosperity." It is about LIFE. About living and walking like JESUS. It is about loving those who hate us, about being merciful beyond natural man's ability to show mercy. It is about being kind, meek, generous, about being like the Father.

Yes, that is the kind of life that we are called to live, the kind of walk that we are called to walk. It is in living that kind of life that we find life to be full of the blessings of God, so that when we give and sow seed into the lives of others, God always blesses us back in full measure – both in eternal things and in the temporal necessities that we need in this life.
