# MERRY Christmas

**D**ear Friends,  
Christmastime is here! This is my favorite time of the year. After a year of traveling and preaching the Gospel all over the world, I get to be home with my family and reflect on Jesus and all that He has done for us.

To think that God Almighty would look down from His throne upon our planet full of sinners and send down His only Son to walk upon this earth in our midst. As John put it in John 1:14, ***"The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth."***

What a glorious thought, that the Son of God came to this world to save sinners! He died upon a Cross, bearing our sins and our diseases so that we may be free. Then He rose from the dead and ascended back to Heaven, where He is now at the right hand of God.

He then sent down His Holy Spirit who now dwells in us, and He has sent us to the world to tell of the Good News of His salvation that is now available to all!

**What a privilege it is to be children of God, and to be called by God to follow Jesus.**

Let us reflect and be thankful to God for His grace and goodness, and for all that He has done for us. Britta and I and our family wish you, our friends and your families, a very blessed Christmas. May the Lord continue to bless you in this coming year 2024.

# BREAKTHROUGH IN MAITANEKE, ZAMBIA

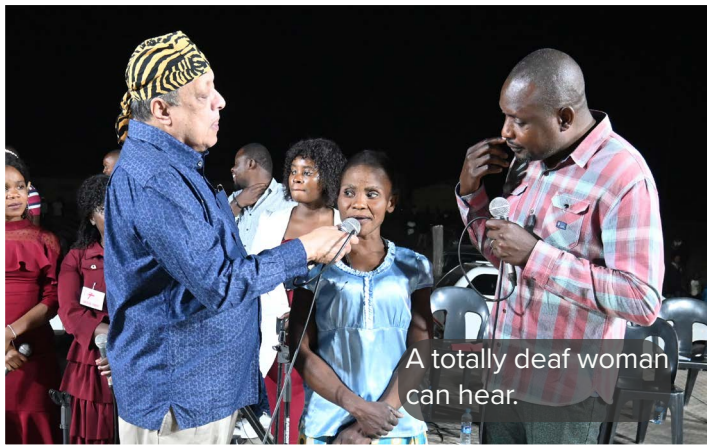

Maiteneke is a small township outside the town of Mansa in Northern Zambia. Our Africa Team had very good cooperation from the local pastors as they prepared this first ever Gospel Crusade held in this township.

A completely deaf boy received his hearing.

A paralyzed woman gets up and walks.

A totally deaf woman can hear.

He was blind in one eye, but Jesus healed him.

Our Africa Team ministered the first night, and many people gave their lives to the Lord Jesus and testified of what the Lord had done for them. Deaf ears and paralyzed legs were healed, and people had their eyesight restored. One thing I must note here is that our Africa Team is fully capable of running a Crusade very well, even if I am not there. Truly, the Lord's Hand is upon our team, and the Lord uses them just as He uses me, with people coming to Jesus and with God confirming His Word with signs, wonders, and miracles.

Wednesday night was the second night of the Crusade. The crowd had doubled in size. Thousands of people responded to the altar call to receive the Lord Jesus. People were healed, deaf ears were opened, a paralyzed woman walked. The Lord did mighty things in our midst.

She was deaf in both ears, but Jesus healed her.

She was deaf in one ear and had many “old age” ailments, but Jesus healed her.

She was deaf in one ear and had difficulties walking but Jesus healed her.

The region is known for its concentration of witchcraft and demonic activity, and as such, something interesting happened. A powerful witch doctor lived in Maiteneke. This man was greatly feared and even some pastors were afraid of him, because he had killed people by putting curses upon them. It must be noted here that African witchcraft is very demonic and not at all like the thing that the western world refers to as “witchcraft.”

This witch doctor came to the Crusade to mock what God was doing and he tried to get up on the platform three times. The fourth time he managed to get up there and mockingly pretended that he had been healed. He then laughed and the crowd, knowing who he was, also laughed. I had no idea who he was but as he went down the stairs of the platform I said, “It is a dangerous thing to mock the Spirit of God.”

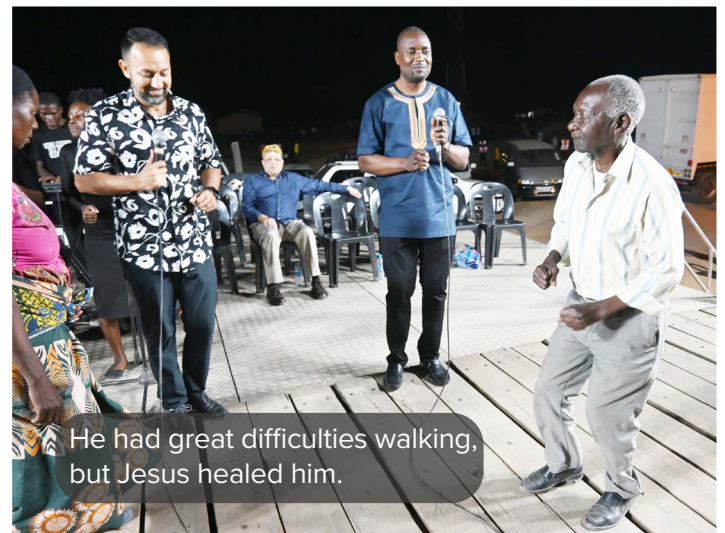

The witch doctor then went back home and dropped dead. The townspeople who feared his reputation of having killed so many through witchcraft first rejoiced at his death, and then the fear of God came over the town.

I asked Pastor Kevin Kazemi to preach the next night. A large multitude gave their lives to the Lord Jesus. The Lord gave great grace, and many people were healed by His power.

- A young man who was almost blind in one eye received his sight.
- A woman who was blind in both eyes due to cataracts was touched by Jesus and her sight was restored.

She was demon possessed with hands and knees “frozen” and could not move, but was healed by Jesus.

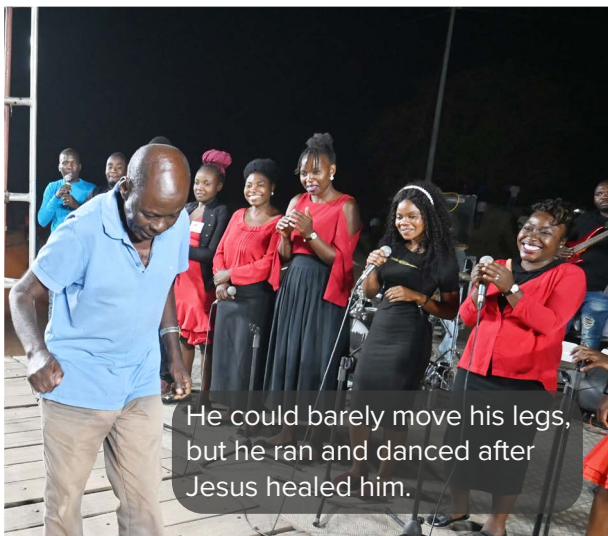

He had great difficulties walking, but Jesus healed him.

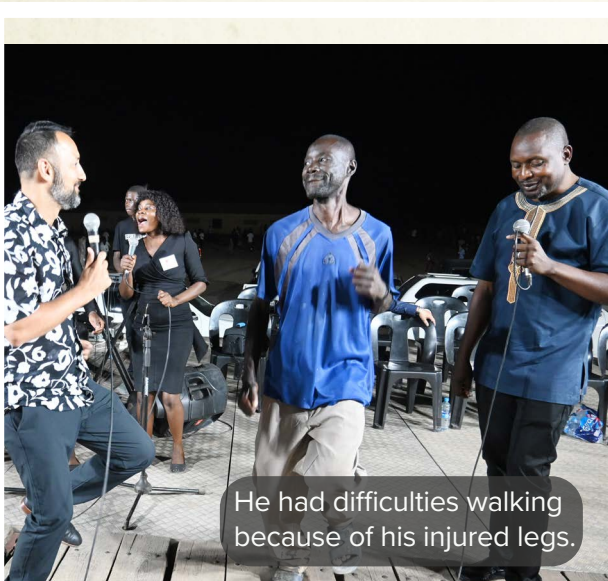

Baptism with the Holy Ghost.

He could barely move his legs, but he ran and danced after Jesus healed him.

He had difficulties walking because of his injured legs.

- A couple of people who had difficulties walking because of troubles with their legs were healed and walked unhindered.

In addition to this, others were healed from different diseases and infirmities. God really uses Pastor Kevin, and he is a great asset to our ministry.

I preached the next night. Thousands of people were on the field, and many were listening to the Gospel all around and off the field. If they had all been on the field, the crowd would look at least twice the size. People crowded on nearby hilltops and rooftops to get a better view. People were everywhere at different distances, under and upon trees, around and behind the field.

A large multitude responded to the altar call to give their lives to Jesus. Many people were healed from different kinds of diseases.

- On the field, two women who could not walk, suddenly began to walk.
- Another woman who had not been able to walk, got up and walked on her own. She was still visibly weak, but she testified that this was the first time she had walked after a long time.
- Some deaf ears were opened.
- A woman who was demon possessed and whose hands and knees were “frozen” and unusable as a result, was delivered and testified.

The Saturday night crowd was unruly with a number of drunk people, but as we worshipped God and as

the presence of the Lord was manifested, they calmed down so that I could preach the Word of God. The people then listened intently to the Gospel Message and a large multitude responded to the altar call to give their lives to our Lord Jesus.

The Lord touched many people with His healing power.

- We saw a good number of demon possessed people fall to the ground screaming as I called upon the mighty Name of our Lord Jesus. These were taken to our prayer tent and set free.
- A woman came whose one eye was destroyed and totally blind after a car accident. Her left leg, especially the knee had been crushed and looked “caved in,” making her unable to walk. Our Lord Jesus did an amazing miracle on that eye, and she began to see clearly. Then the Lord fixed her useless knee and leg. She was up and walking. What a mighty God we serve!
- Then there were some people with deafness. One of these was a young man who was deaf in both ears since birth.
- Two people who had great difficulties walking were also made whole.

A large multitude had gathered on the final night. I preached on **“The Blood of Jesus”** and the multitude responded to the altar call to give their lives to our Lord Jesus.

After this, thousands of people were Baptized with the Holy Ghost and with Fire. As the Holy Ghost fell upon the multitude, the praises of God in other tongues rose to the African sky. It was glorious to see all those precious thousands being immersed and consumed by the Power and the Fire of God!

After that, people were healed from all kinds of infirmities. People received their hearing, their eyesight, tumors disappeared, etc.

Then we praised God and danced. It was so joyful, and people did not want it to end.

I was a good week with a great Harvest of souls. So many wonderful miracles: deaf, blind, and paralyzed people were healed. Many demon-possessed people delivered. On the last night a witch doctor came with all his witchcraft paraphernalia, desiring to be free. **We give all glory, honor, and praise to our Lord Jesus for all that He has done. What a privilege it is for us to serve Him!**

We have a full Crusade program for next year, with eight Crusades planned for Africa and four in Asia. Our African base is in Zimbabwe, but we have not been able to do any Crusades there for seven years because of the very bad political situation with shortages of diesel and petrol. We are planning to hold all our Africa Crusades next year in Zimbabwe. The pastors and churches are very excited, and so are we.

Large crowds came out to hear the Gospel.

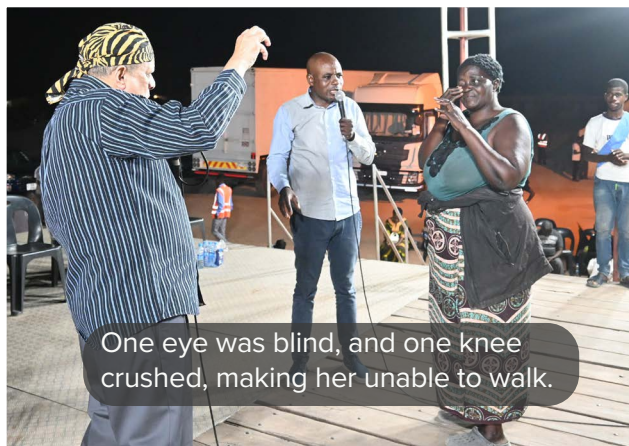

Thank you for your financial sacrifices to send us out to the Harvest fields of the Gospel. We look forward to partnering with you next year to continue to preach Jesus Christ to the lost!

**May the Lord Bless you in every way this Christmas Season,**

In Christ,  
Christopher and Britta Alam

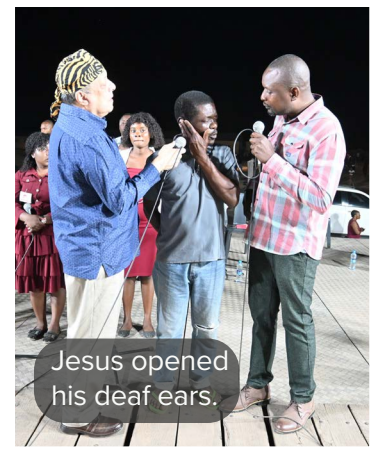

One eye was blind, and one knee crushed, making her unable to walk.

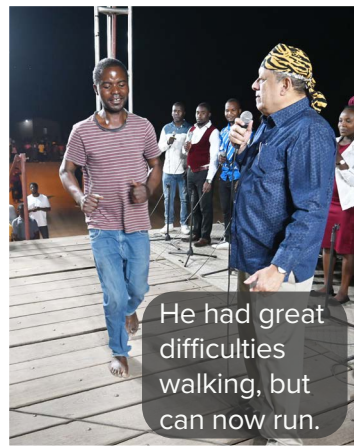

Her eyes were blind due to cataracts, but Jesus restored her sight.

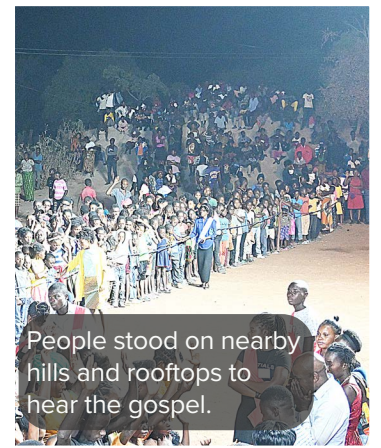

Jesus opened his deaf ear.

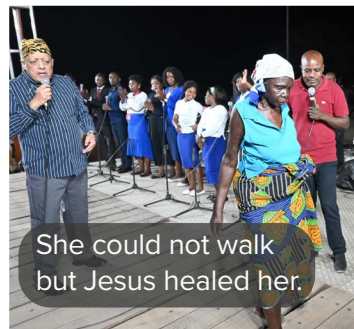

Jesus opened his deaf ears.

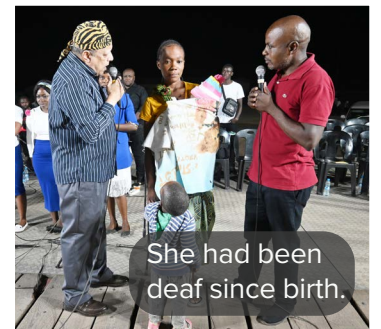

He had great difficulties walking, but can now run.

People stood on nearby hills and rooftops to hear the gospel.

She could not walk but Jesus healed her.

She had been deaf since birth.
