**Jesus Christ is the same
yesterday, today
and forever.**
Hebrews 13:8

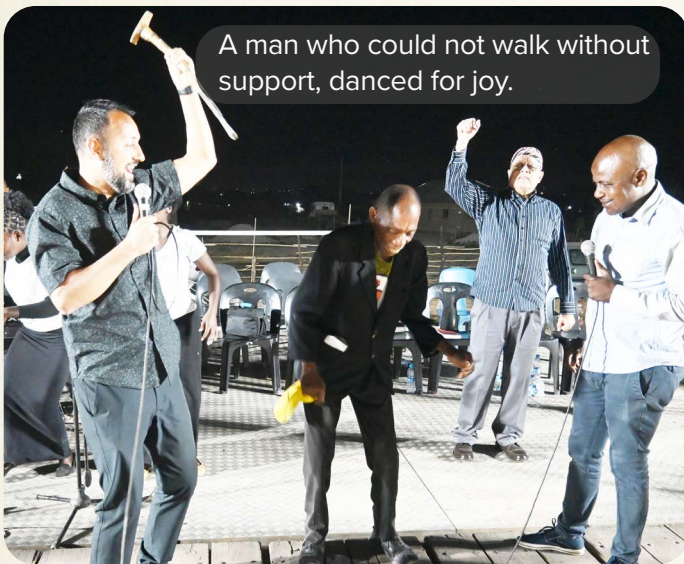

2024, a new year and we thank Him for His faithfulness during the past year. May this letter encourage your faith and remind you that Jesus Christ is still the same. Let your New Years resolution be that you will keep trusting Him, loving Him, and expecting great things.

Senema is a town in the Northern Province of Zambia. It has the reputation of being “the witchcraft capital” of Zambia. This was the first ever Gospel Crusade held in Senema, and we received good cooperation from the local churches and their pastors.

A totally blind woman received her sight.

A man who could not walk without support, danced for joy.

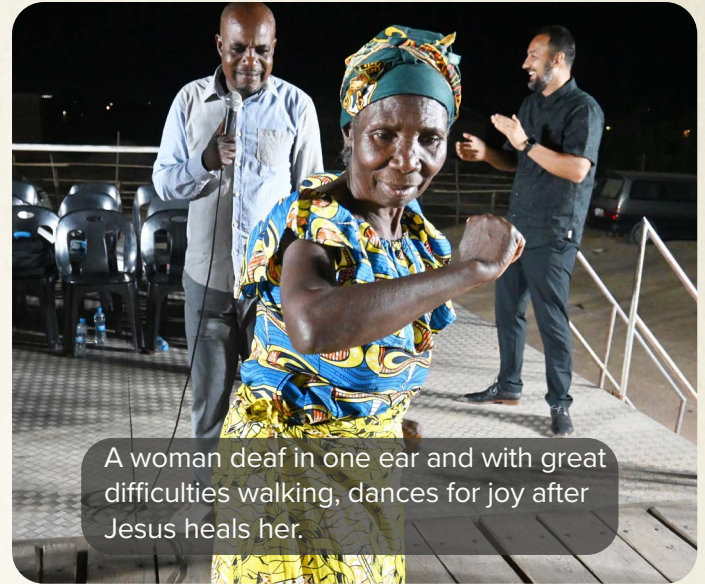

I asked Pastor Kevin Kazemi to kick off the crusade by preaching the first night. He preached a strong Gospel message, and a large crowd gave their lives to the Lord Jesus.

Many people were healed that first night. Several people had their deaf ears opened. A woman who had badly depleted sight in one eye received sight as our Lord Jesus touched her. People were healed from other diseases and infirmities and testified of what the Lord had done for them.

Word of the mighty works of God spread, and the crowd tripled the next evening. Once again, I asked Pastor Kevin Kazemi to preach. A large multitude responded to the altar call and gave their lives to our Lord Jesus.

Many people were healed by God’s mighty power:

- Several people testified how the Lord had opened their deaf ears.

A woman deaf in one ear and with great difficulties walking, dances for joy after Jesus heals her.

- A man who previously could not walk without support, walked on his own, and even danced and praised God.
- Another man with bad eyesight began to see perfectly.
- A young man who could not lift his left arm after it was injured in a motor accident was healed. He showed us how he could lift it now.
- A little boy who could not lift his right arm was made whole.

Others testified of having been healed of different infirmities.

I preached the next night and the remaining three nights. The crowd grew even more; a large multitude listened to the Word of God. They responded to the altar call and prayed to give their lives to our Lord Jesus.

The Lord gave great grace and confirmed His Word with His miracle working power.

- A totally blind woman received her sight as Jesus touched her.
- Three women who were practically blind and could only discern things less than two feet away, received their sight. One of them also had difficulties walking.
- Another woman who said that she could not walk because of something with her legs, began to walk.
- People had their deaf ears opened.

Others testified of what the Lord had done for them.

That night, as I prayed for the sick, we began to call out, "**Jesus! Jesus! Jesus!**" for about 15 to 20 minutes. As we called upon the worthy Name of

Large crowds came out to hear the gospel.

our Lord Jesus, demons began to come out of large numbers of people, and soon our prayer tent was packed with people being delivered from evil spirits. I received emails from people in other places telling me that we were in “the capital of witchcraft” of Zambia. **What I know is that the devil was defeated on the Cross by our Lord Jesus Christ. The Gospel is the proclamation of the victory of our Lord Jesus. Wherever the Gospel is preached, those held captive by Satan are set free!**

It is such a privilege to preach the Gospel to these precious people for whom our Lord Jesus gave His own life so that they may be saved!

The next night was wonderful. A huge crowd had gathered to hear the Gospel message, and they responded wholeheartedly to the altar call to give their lives to Jesus.

The Lord showed us amazing demonstrations of His power.

The most amazing miracle this night was a teenage girl who was carried to the crusade in a vegetative state on the very first night. She looked like she was dead or in a coma. She could not walk, see, nor speak. She had been taken to the local hospital, tested by doctors, and no one knew what was wrong with her. (It was witchcraft- a kind of demon possession and very common in this region.)

The Lord began to work in her from the very first evening. She was brought to the crusade every night and improved each night. On one night she was made completely whole. She walked, ran, could see, and could speak. It was wonderful to see her, and the crowd shouted and praised the Lord for this wonderful miracle.

- People who were deaf received their hearing.
- A mother brought her two daughters to the crusade. Each was deaf in one ear. One was born deaf and the other had become deaf seven years ago. Jesus healed both sisters simultaneously. **What a wonderful Lord we serve!**
- Then there was a little girl who was blind and could only discern objects six inches away from her face and nothing more. Jesus healed her and gave her sight.
- A woman was deaf in one ear and could barely walk or move. Jesus restored her hearing and healed her legs, and she danced for joy as the people cheered.

Many people were also delivered from demons that night.

SUNDAY was our final night in Senema. A large crowd had gathered to hear the Gospel and they

responded to the altar call to receive the Lord Jesus.

On Sunday several thousand people were baptized with the Holy Ghost and with Fire. As the Holy Ghost fell upon the gathered multitude with great power, they began to speak with other tongues. Some were falling to the ground, overcome by the Spirit of God. As Pentecostal fire came down, the shouts and the praises of God rose to the clear African sky. It was a wonderful sight to behold - to get to see the work of God in people's lives.

Many people were then healed, people's deaf ears were opened, blind eyes received sight, tumors disappeared. Demon possessed people were set free. There was great joy as we ended the Crusade with people singing and dancing.

We give all honor and glory to our Lord Jesus for the harvest of souls that we saw and for the wonderful miracles that He did.

We are so grateful to be part of what the Lord did in Senema. God was moving mightily, saving, healing, and delivering people. What a privilege it is to serve Him and to preach this glorious Gospel of liberty that saves sinners, heals them, and sets them free.

We give all the Glory to our Lord Jesus for all that He has done.

Thank you for your faithful financial support and your faith, enabling us to take the Gospel to people in such faraway places.

We have a packed Crusade program this year. Thank you for standing together with us!

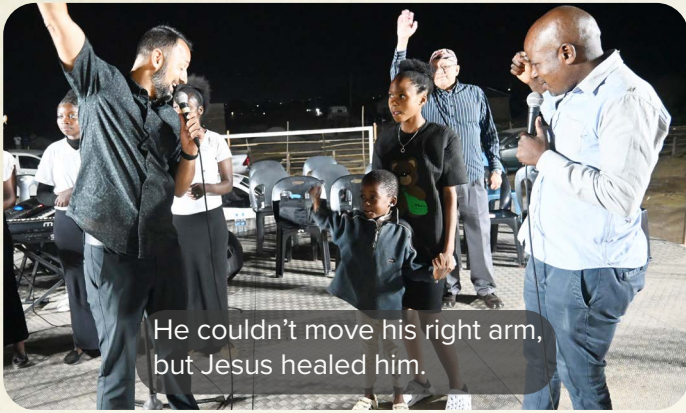

In Christ Jesus,
Christopher and Britta Alam

God opened her deaf ear.

He couldn't lift his left arm after a car accident.

He couldn't move his right arm, but Jesus healed him.

She could not walk because there was something wrong with her legs.

Blind eyes received sight!

Deaf ears were opened!
